SGA Publishes September and October 10 for 10 Surveys

Morgantown, WV – To ensure that "the personal freedoms and general welfare of the students within our University are protected [while promoting] the principle of diversity", as outlined in its Mission Statement, the WVU Student Government Association has released *10 for 10* Surveys to receive direct and comprehensive feedback from the Student Body.

These surveys, released for the months of September 2019 and October 2019, are centered around the themes of Diversity and Inclusion, and Student Health, respectively. At the completion of the survey, respondents will be compensated with 10%-Off meal vouchers courtesy of SGA partner *WVU Dining Services*, and redeemable at select locations across campus.

The information provided by student respondents to the surveys will be kept private and secure, being solely used to better understand, represent, and advocate for student interests across campus by helping shape better legislation and executive initiatives.

The survey can be completed by clicking the link below:
