Second Reading Date	**10-16-2019**

Whereas, The Mission Statement of West Virginia University promotes seeking opportunities to serve others and committing the highest quality of service; and

Whereas, The Vision Statement of West Virginia University advocates partnering with our communities to bring needed and valued solutions to real-life problems; and

Whereas, The Vision Statement of the West Virginia Student Government Association encourages participation in meaningful community service; and

Whereas, The Student Government Association Community Engagement Committee is tasked with fostering a relationship between the student body and the greater Morgantown community, as well as encouraging civic engagement, promoting service opportunities, and furthering sustainability on campus.

Therefore, be it resolved by the Student Assembly of West Virginia University:

The West Virginia University Student Government Association Assembly approves enactment of the SGA Day of Service project entitled "Keep Morgantown Beautiful" on Sunday October 27th, 2019 from 12:00pm to 3:00pm. On this day of service, the Student Government Association will organize the event on iServe with the West Virginia Center for Service and Learning to clean up debris around the West Virginia University campus. Supplies for the project will be supplied by the WVU Office of Strategic Initiatives and will include: safety vests, trash bags, and trash pickers. We aim to have 30 members of the Student Government Association participate in this event. Participants will be divided into three teams: one will pick up debris in the area of the Downtown Campus, one in the area of the Evansdale Campus, and one in the area of the Sunnyside neighborhood.
