When the Elections Chair receives a complaint form, a copy of the form will be hand delivered or emailed to the Candidate(s) via his/her official University student email account. The candidate(s) will agree to meet with
the Elections Chair and discuss the alleged violation within forty-eight (48) hours of receiving the notification. The Elections Chair will make his/her self readily available. Failure to arrange to meet with the Elections Chair will result in an additional violation for not cooperating.

F. REQUESTS FOR VIOLATION FORMS. Violation forms shall be submitted to the Elections Chair. Violation forms shall be made available upon request of the Elections Chair, and shall also be available in the Student Organization Services office.

G. HEARINGS, DEPOSITIONS, SANCTION. All candidates shall be required to make themselves available to respond in person at the request of the Judicial Board, Elections Chair, or Attorney General during the three to five hour period following the termination of voting. Failure to do so will result in a violation. Two hours following the termination of voting, all violations will be due with the exception of posted material removal violations. Further hearings may be scheduled if needed.

H. PENALTIES.
   1. Upon finding that a candidate or candidates has violated any part of this Elections Code, the Judicial Board may impose upon the candidates(s) one or more of the following penalties:
      i. A reprimand from the Judicial Board given by the Chair or some other member, which the Chair selects.
      ii. A fine of not less than $10 or more than $200. When a candidate reaches $500 in total fines from violations, the candidate shall automatically be disqualified.
      iii. Disqualification from current election.
      iv. Exclusion from any Student Government Association position, appointed or elected, for a period specified by the Judicial Board.
      v. If an agent of a candidate or candidates has committed a violation of this Elections Code, and if the candidate(s) ordered the agent to commit the act in violation or knew of the agent’s act of violation and failed to take steps to prevent it, then the Judicial Board may view the act in violation as though the candidate(s) personally committed the act. The Judicial Board thus may implicate the guilt to the candidate(s) and will impose the proper penalty or penalties.
   2. Upon finding that a non-candidate or non-candidates has violated any part of this Elections Code, the Judicial Board may impose upon the non-candidate(s) one or more of the following penalties:
      i. Disqualification from holding any elective Student Government Association office for one calendar year, beginning on the date of imposition.
      ii. Disqualification from holding any position on any Student Government Association committee or agency for one calendar year, beginning on the date of imposition.
      iii. Disqualification from being appointed to any position requiring Student Board of Governors approval for one calendar year, beginning on date of
imposition.
3. A candidate or non-candidate shall immediately be disqualified from holding an elective office or an appointed position within Student Government Association for no less than one calendar year if the candidate or non-candidate fails to meet the qualifications outlined in the Student Body Constitution of West Virginia University or fails to pay the balance of imposed fines within ten (10) academic days.
4. Violations containing more than one official candidate shall hold joint responsibility among the candidates for penalties.
5. In extraordinary circumstances, the Judicial Board may reassess penalties as deemed necessary and just.
