

# SGA Student Government Association

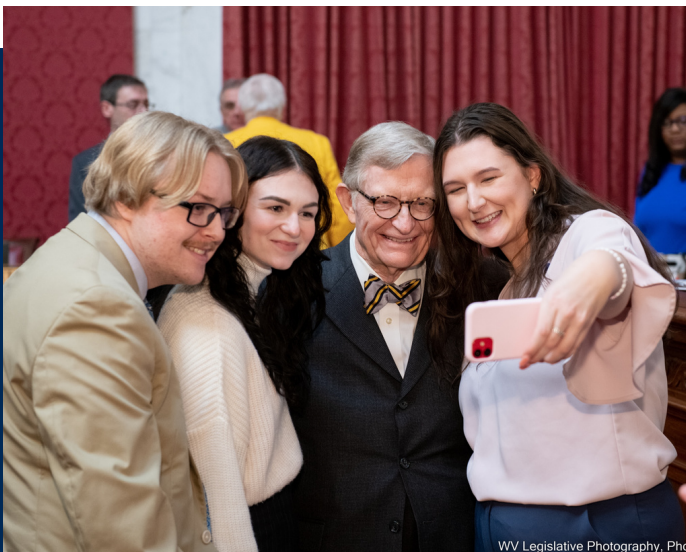

## January 2023 Monthly Report

### Assembly Reports

- Health Science College Senators secured stationary bikes for areas around the Health Science Center.
- Senators passed a resolution promoting implementation of recycling education for first-year students.
- Senators passed a proclamation urging the West Virginia Legislature to further examine and reconsider SB-10.
- Senators passed a bill that would allow more money to be allocated to DEI Grants.
- Senators passed resolutions in creation of several Advisory Boards which will work hand-in-hand with administrators to advocate for students' needs.
- Senators passed a resolution recommending the Add/Drop date be extended without receiving a "W".

### Executive Reports

- Our Assembly and Executive members attended our annual spring retreat in Pittsburgh to prepare for the semester.
- President Hernandez and VP Uqaily met with Faculty Senate to discuss open syllabi, mental health trainings, and LiveSafe statements.
- Legislative Affairs Liaisons Dowler and Riffey along with other WVU SGA members attended WVU Day at the Legislature to discuss issues affecting students.
- Bureau of Finance is projected to have a recorded setting year, giving out grants to over 100 student organizations.
- SGA welcomed 9 new interns, or "spring-terns" to our organization.
- Preparation has begun on the upcoming 2023-2024 SGA Election. Voting will be in-person or online via absentee ballot. Stay tuned for more information to come.
